S4 Inc. Ranked on the 2008 Inc. 500 List of Fastest-Growing Private Companies

Burlington, MA (October 8, 2008) – S4 Inc. was recently ranked #441 on the 2008 Inc. 500 list of the fastest-growing private companies in the U.S. Companies are ranked according to the percentage growth of their revenue from 2004 through 2007. S4 boasted growth of 723.3% during this time. This is S4's third year making the prestigious Inc. 500/Inc. 5000 Lists.

"If you want to find out which companies are going to change the world, look at the Inc. 500," said *Inc.* Editor Jane Berentson. "These are the most innovative, dynamic, fast-growing companies in the nation – the ones coming up with solutions to some of our knottiest problems, creating systems that let us conduct business faster and easier, and manufacturing products we soon discover we can't live without. The Inc. 500 list is *Inc.* magazine's tribute to American business ingenuity and ambition."

S4 also ranked #34 on the Top 100 Government Services Companies list. This is the fourth largest business category included in this year's Inc. 500 listing. S4 President and CEO Chandu Shah stated "I am proud that the work we are doing is in the defense of the country. We are committed to the people and organizations that we support, and strive to be a company recognized for its qualities and support."

Earlier this year, S4 was honored by the Boston Business Journal (BBJ) as the 3rd fastest growing private company in its region. Shah's goal is to continue growing S4 while ensuring continued customer satisfaction, high employee retention, and lasting industry partnerships.
