### **S4 Inc. Recognized as One of Region's Fastest Growing Companies**

Burlington, MA (May 18, 2009) - The Boston Business Journal (BBJ) named S4 Inc. as the 19th fastest-growing private company in the region at its annual Pacesetters awards. The BBJ recognized S4's skill in managing a rapidly growing company, showing robust revenues and creating business strategies that led to success in a competitive business environment. S4, which is celebrating its 10-year anniversary, is one of only twelve companies to receive this award three times.

The Pacesetters list was determined by survey information gathered and analyzed by the Boston Business Journal from private companies throughout the Greater Boston region. Based on the information provided, 60 companies were selected on their revenue growth between 2005 and 2008.

"We strive to be a company that is recognized for its qualities and the support we provide," said Chandu Shah, President and CEO of S4 Inc. "Our employees and commitment to exceptional customer service are keys to our success."

George Donnelly, editor of the Boston Business Journal said "This award acknowledges those private companies that skillfully navigate a competitive national and international marketplace and are growing quickly to be leaders in their field."

These top-rated companies were honored at the Boston Business Journal's Pacesetters Awards breakfast in April at the Boston Park Plaza Hotel. The 60 companies were counted down and their rankings revealed.
