

S4 Inc., as part of the Szanca Solutions Team, was selected by the Department of Homeland Security (DHS) as a prime contractor under the indefinite-delivery, indefinite-quantity Program Management, Administrative, Clerical, and Technical Services (PACTS) program. DHS PACTS is an indefinite delivery, indefinite quantity task order based Service Disabled Veteran Owned Small Business set aside contract vehicle with a total ceiling value of \$1.5 billion. PACTS is available for use by DHS and all its components. Szanca Solutions was awarded a contract in Functional Category 3 – Clerical, and will compete with the other PACTS contractors for a variety of office, record keeping, filing and general support service requirements.
