Agility. Strategy. Insight.

About Us

Founded in 1999, S4 Inc. is a professional services and consulting firm catering to US Government, Department of Defense (DoD), and Department of Homeland Security (DHS) customers. We specialize in providing innovative solutions that promote the capture, analysis, and targeted distribution of critical information while ensuring its security and integrity.

What Makes S4 Different?

Agility –

S4 Inc. excels with a lean management structure. Our size and corporate structure enable us to act and react rapidly to meet changing demands.

Strategy –

The S4 team employs a collaborative, cross-discipline approach to solving problems. This ensures that our plans are strategic, effective, and produce the desired results.

Insight –

S4 Inc. uses extensive experience and expertise as a foundation to develop unique solutions tailored to the client's situation. We understand that you can't apply a cookie cutter approach to every situation.
