About S4

Founded in 1999, S4 Inc. is a professional services and consulting firm catering to the US Government, Department of Defense and private entities. Our employees range from help desk support engineers to research scientists to strategic communicators. And while we have varied skills, we all have the same beliefs and values – values that carry through in everything we do for our clients.

The S4 Management Team is led by Mr. Chandu Shah, President and CEO of S4. Mr. Shah has a diverse background in working with information and ideas. In addition to leading S4, he is an award winning playwright, and a renowned writer and actor. Mr. Shah's careers have afforded him the opportunity to obtain, create, disseminate, and portray ideas and information, using all media forms, for both Government customers and the public.
