S4 Inc., a defense contractor specializing in information-domain based solutions and services, recently announced the promotion of Patrick Brosnan to the position of Vice President of Finance. Patrick joined S4 in April 2008 to oversee the company's financial and contract activities. His leadership and critical insight regarding financial and business matters have been instrumental in leading S4 successfully through a challenging period of growth and redirection. Patrick's dedication and commitment continue to play a large part in the success of S4 Inc.
