S4 Inc. to Support DLA JETS Contract; Valued at up to \$6 Billion

Bedford, MA (February 24, 2017) - S4 Inc., a team member under Savantage Solutions (Unrestricted), captured a new contract providing the **Defense Logistics Agency (DLA) J6 Enterprise Technology Services (JETS)**. JETS is an 8-year, \$6 Billion indefinite delivery/indefinite quantity (IDIQ) vehicle to provide a broad range of technology services to enable DLA in its mission to support US war fighters worldwide. Support is provided for information technology solutions, technical support, maintenance and sustainment; operations support; application development, maintenance and technical support; and lifecycle management. The services will be provided via 21 specific task areas. Work will be performed at DLA facilities in the U.S. and worldwide.

About S4 Inc.

S4 Inc. is a professional services firm specializing in Enterprise Information Technology (IT) Solutions; Advisory & Assistance Services (A&AS); and Cyber Security.

S4 delivers mission critical support to such organizations as the Department of Homeland Security (DHS), the Department of Defense (DoD), the US Government, and subordinate agencies and commands. We have assembled the resources and domain knowledge to deliver leading edge solutions to both peacetime planners and war fighters within scope, on time and within budget. S4 is a Small Disadvantaged Business (SDB) and holds an ISO 9001 certification, as well as a CMMI-SVC Maturity Level 2 rating.

S4 Inc. has the agility, strategy and insight to provide effective solutions to rapidly changing needs. For more information about S4, please visit www.s4inc.com.
