S4 Inc. Partners With (ISC)² to Help Cyber Professionals Prepare for Certification Exams

Colorado Springs, CO, September 16, 2019 – The S4 Inc. Center For Excellence (CFE) (business and training services) has become one of only fourteen (ISC)² Official Training Providers (OTPs) in the United States. Through their training offerings, S4's CFE and (ISC)² – the world's largest association of certified cybersecurity professionals – will prepare cybersecurity professionals for (ISC)² exams. The CFE's first official (ISC)² Training Seminar for CISSP begins September 30th 2019 ([register now!](#)). This is a classroom setting with instruction provided by a (ISC)² Authorized Instructor.

Please join us for our open house on Friday, September 20th from 12:00pm to 4:00pm at the S4 Inc. Center For Excellence. Come tour our first-class facility at 1925 Aerotech Drive, Suite 210 in Colorado Springs, CO. Refreshments and light snacks will be served.

S4 Inc. uses extensive experience and expertise as a foundation to develop unique solutions tailored to the client's situation. We understand that you can't apply a cookie cutter approach for everyone. Allow us to help you prepare for your (ISC)² exam with the cybersecurity training that's right for you. Stop by our Open House on September 20th, or visit cfe.s4inc.com for more information.
