

S4 Inc. becomes CompTIA Authorized Partner

Colorado Springs, CO, December 3, 2019 – The S4 Inc. Center for Excellence (CFE), a training center in Colorado Springs, has become a CompTIA Authorized Partner. As a CompTIA Authorized Partner, S4 Inc. will offer some of the top certification training courses; such as Security+, Network+ and Project + at their training center in Colorado Springs. This will complement the CFE’s current offerings, including its ISC² certification training programs.

The goal of the CompTIA Authorized Partner Program is to provide valuable tools and resources to help train and certify IT and cyber professionals. The CFE’s first official CompTIA Training Seminar for Security+ begins January 6th, 2020 ([register now!](#)).

About CompTIA

[CompTIA](#) is a nonprofit trade and professional organization for IT pros offering training and certification in a number of fields. CompTIA is considered to be one of the world’s leading trade associations, offering programs that set industry standards, foster skills development and generate knowledge and insight every day.

About S4 Inc. Center For Excellence

The [S4 Inc. Center For Excellence](#) (CFE) offers meeting and training services in the Colorado Springs area. Featuring a 40+ classroom and smaller meeting spaces all equipped with audio visual, whiteboards, and internet, the CFE can meet any need. We are Official Training Providers with CompTIA and ISC², we offer classroom-based training led by authorized instructors, and offer various Pearson VUE IT Certifications (upon request).
