S4 Inc. awarded NMITS BPA by NOAA

Bedford, MA (Nov. 19, 2020) - S4 Inc., a leading enterprise information technology and cybersecurity solutions provider, has been awarded a National Oceanic and Atmospheric Administration (NOAA) Mission Information Technology Services (NMITS) Blanket Purchase Agreement (BPA) contract. NMITS has a five year base period of performance from date of award, plus one five-year option period. The maximum potential value is \$2.1 billion if all options are exercised.

Under NMITS BPA # 1305M421ANAAA0069, S4 Inc. and our Contractor Teaming Arrangement (CTA) partners OAI Consulting and MTi Systems Inc. will provide NOAA with IT services, solutions and support that ensure critical environmental intelligence is available to decision makers, scientists, business, and communities across the country. Our team will draw upon nearly thirty years of past and current partnerships with NOAA. This includes support of NOAA's enterprise and core technology systems, as well as delivering Information Technology (IT) innovation strategies to support NOAA's scientific programs. We look forward to serving NOAA further under the NMITS vehicle.

About S4 Inc.

Since 1999, S4 Inc. has supported Department of Defense (DoD), Department of Homeland Security (DHS) and other US Government customers with Enterprise IT Services, Cybersecurity, and Professional Services.
