

S4-SDC-JV captures USAMS IV Cyberspace II task supporting USSTRATCOM

Task order provides all source intelligence analysis under GSA OASIS SB Pool 3 contract

OMAHA, Neb. - May 6, 2021 - [PRLog](#) -- S4-SDC-JV, a small business joint venture of S4 Inc. and Solutions Development Corporation (SDC), has been awarded the **All-Source Intelligence – Cyberspace II** task order supporting US Strategic Command Intelligence Directorate (USTRATCOM/J2). S4-SDC-JV will provide all source intelligence analysis focused on characterizing the cyberspace capability and intent of our adversaries. Work will be performed at Offutt AFB, Nebraska from 5/3/21 – 7/31/26 if all options are exercised.

The All-Source Intelligence – Cyberspace II task was competed under GSA's One Acquisition Solution for Integrated Services (OASIS) Small Business (SB) Pool 3 contract. This multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contract provides flexible and innovative solutions for complex professional services through task order competitions. Under this task order, our team will provide intelligence analysis and products that help maintain situational awareness and monitor our adversaries' cyberspace posture.

"S4 has supported USSTRATCOM for years under USAMS II, USAMS III, and now OASIS," said Chandu Shah, President & CEO of S4 Inc. "We look forward to continuing our support of USSTRATCOM/J2 with this critical task."
