

Grimmer S4 awarded GSA 8(a) STARS III GWAC contract

Grimmer S4 Consulting Services LLC, a joint venture of Grimmer Technology and Operations, Inc. (GTOi) and S4 Inc., was awarded a GSA 8(a) STARS III contract as a Small Business Administration (SBA) certified 8(a) prime contractor. This multiple award, Indefinite Delivery Indefinite Quantity (IDIQ), \$50B, contract provides flexible IT services and IT services-based solutions through task order competitions with the ability to sole source.

Services include but are not limited to information and communications technology, IT operations and maintenance, IT security/IT workforce augmentation, cybersecurity, software development, systems design, emerging technology, IT services performed outside of CONUS, and ancillary support that is integral and necessary for the IT services-based solutions (e.g. project management, software licenses, etc.).

“GTOi is proud of our recent Grimmer S4 8(a) STARS III award and eager to bring our customers the business value that our two companies harness and employ in our JV,” said Marie Grimmer, President & CEO of GTOi. “This contract also allows our customers an 8(a) sole source option.”

“We are excited to offer the benefits of GSA’s 8(a) STARS III contract to customers,” said Chandu Shah, President & CEO of S4 Inc. “This vehicle provides a new streamlined way to deliver our specialized IT services.”

About Grimmer S4 Consulting Services LLC

Grimmer S4 provides managed enterprise IT and cybersecurity services, transforms initiatives into real world capabilities, and operationalizes new technologies. Our IT professional services (i.e. strategic planning/execution, program management, systems engineering/operations, equipment service programs, training, etc.) enable us to optimize results and rapidly react to meet our customers’ changing needs.
