S4 Inc. Welcomes Ron Gibbs as Business Development Executive

Bedford, MA (October 18, 2021) – S4 Inc., a leading provider of Enterprise IT Solutions, Cybersecurity and Professional Services, has hired Ron Gibbs as Vice President of Business Development. As a crucial member of S4's Executive Team, Ron will provide strategic direction and overall leadership for the growth and marketing functions of the company.

Mr. Gibbs has proven experience capturing business and spearheading growth with DoD/DHS/Federal customers in the Information Technology industry. He has successfully managed several IDIQ contracts, and secured multiple task order awards of over \$100M+. This background makes Ron ideally suited to lead S4's identification, qualification, capture and development of new opportunities, as well as the cultivation of our existing IDIQ vehicles (e.g. GSA MAS, OASIS, ITES-3S, STARS).

“Ron brings several years of successful small business marketing growth to S4 in the areas of IT, Professional Services, and Cybersecurity,” commented Steve Kerns, S4's Chief Operating Officer. “His customer knowledge with DHS, Army and Navy fit very well into our growth plan over the next several years.”
