## **S4 Inc. achieves ISO 27001 and ISO 9001 accreditations**

Bedford, MA (January 24, 2022) – S4 Inc., a defense contractor specializing in Enterprise Information Technology Services, Cybersecurity, and Professional Services, was recently awarded ISO 27001 certification for Information Security Management Systems. S4 also passed its ISO 9001 recertification audit and will remain ISO 9001:2015 certified for Quality Management Systems until 2025.

S4 Inc. has maintained ISO certification since 2007. ISO Standards provide guidance for companies and organizations who want to ensure that their products and services consistently meet customer's requirements, and that quality is consistently improved. S4's ISO certifications demonstrate our commitment to customer satisfaction, total quality management and continuous improvement throughout the organization.

### **About S4 Inc.**

S4 Inc. is a small disadvantaged business (SDB) specializing in Enterprise Information Technology Services, Cybersecurity and Professional Services. Since 1999, S4 Inc. has delivered mission critical support to Department of Defense (DoD), Department of Homeland Security (DHS) and US Government agencies and commands. We deliver leading edge solutions to both peacetime planners and war fighters within scope, on time and within budget. Headquartered in Bedford, MA, S4 has offices in Alabama, Colorado, Nebraska, Ohio, and Virginia as well as project sites across the United States.
